

Registered Charity 1175276

The House of Luhuvilo is a charity set up to provide a safe home and life-giving futures orphaned children in Tanzania.

The House of Luhuvilo, which means HOPE, is being built in the mountains of Sayuni in Njombe, Tanzania. Our Vision is to create a beautiful home for children, that allows them to heal from the traumas of their past and give them a childhood rooted in security, safety and nurture.

Child protection and safe guarding is our priority.

FUNDRAISING COFFEE MORNING

**Coffee, tea, cake and Christmas gifts to buy.
Friday, 23rd November, 10am until 12noon,
at 16, Sandy Lane, Sevenoaks.**

Progress report following recent visit to Njombe:

- Roof is being constructed on the first COTTAGE. Green corrugated roof to be attached soon, then the cottage will be plastered inside and pointed outside.
- Extra room added instead of outside kitchen. This to be used as Managers office, sick bay/Extra guest bed.
- The cottage is on track for completion in May 2019.
- Managers house: sitting room, bedroom and bathroom erected. Nicky requested a kitchen be added to the structure; this has been invoiced at 5,000,000 tsh/ £1,788.
- Meetings with the Regional Social Worker and Senior Medical Officer clarified that there is no foster care available so children placed at the Luhuvilo home will stay until 18 years old. It is, therefore, important that we begin a sponsorship scheme to support the children in education and ensure that they have a hopeful future.
- Next visit April 2019.
